

REMARKS

Claims 1-2, 5, 12-13 and 15-17 remain in this application. Claims 3-4, 6-11 and 14 have been canceled. Claim 1 has been amended. Claims 1 and 4 have been objected to because of informalities. Claim 4 will be objected to under 37 CFR 1.75 as being substantial duplicate of claim 1.

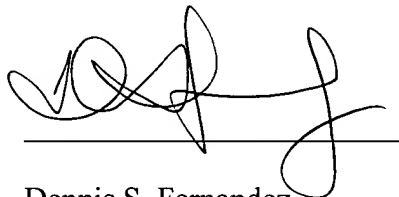

Claim 1 has been amended to correct the informality in accordance with the Examiner's indication and recite "...*location relative*...." Also, amended claim 1 includes additional limitation "... a zero *or greater than zero* length in the first pseudo net." (Emphasis on amended language.) Support for the additional limitation can be found in the specification on page 9, line 19-21. Thus, no new matter has been introduced by the additional limitation. Applicants believe amended claim 1 is now allowable, and respectfully request reconsideration and indication of allowance.

Claim 4 has been canceled to obviate objection under 37 CFR 1.75 as indicated by the Examiner.

CONCLUSIONS

In view of the above, it is respectfully submitted by Applicants that the claims 1-2, 5, 12-13 and 15-17 are in condition for allowance. Reconsideration of the objections is requested. Allowance of the claims at an early date is solicited.

Respectfully submitted,

Dennis S. Fernandez
